

COOKING INSTRUCTIONS

BULK: C30-0612, P30-0612, V30-0612, C30-7201AB, P30-7201AB, SW30-0612AB

***Cooking times may vary. Please ensure the egg roll reaches an internal temperature of 165°F for food safety.**

Fryer

- 1 Preheat oil in fryer to 350°F. Remove plastic film.
- 2 Fry frozen egg rolls 6-7 minutes until golden brown.*
- 3 Let stand 1-2 minutes after cooking.

FROZEN
6-7 min

Convection Oven

- 1 Preheat oven to 400°F. Remove plastic film.
- 2 Bake frozen egg rolls for 10-12 minutes.* Turn and bake for an additional 10-12 minutes.
- 3 Let stand 1-2 minutes after cooking.

FROZEN
10-12 min
Both sides

Rational Oven

- 1 Pre-heat oven to 425°F. Prep racks or baskets by applying vegetable oil.
- 2 Remove egg rolls from freezer, discard packaging, and place egg rolls into the Rational Oven. Set cooking time for 5- 7 minutes. Start the cooking process.
- 3 If rational oven contains pre-set egg roll programs, select the appropriate program and cook egg rolls to 165°F.

FROZEN
5-7 min
